as the oldest organization in the un system approaching its 100th birthday in 2019 the ilo faces unprecedented strains and challenges the book forms part of a broader inquiry into the relevance of founding institutional principles to today s context

this open access book explores the role of the ilo international labour organization in building global social governance from multiple and mutually complementary perspectives it explores the impact of this un s oldest agency founded in 1919 on the transforming world of work in a global setting providing insights into the unique history and functions of the ilo as an organization and the evolution of workers rights through international labour standards stemming from its regulatory mechanism the book examines the persistent dilemma of balancing the benefits of globalization with the protection of workers it critically assesses the challenges that emerge when international labour standards are implemented and enforced in highly diverse regulatory frameworks in international regional national and local contexts the book also identifies feasible ways to achieve more inclusive labour

protection putting into perspective the tension between the economic and the social in the ilo's second century of operation it includes reflections on the work of the ilo world commission on the social dimension of globalisation by tarja halonen who as president of finland co chaired the commission with benjamin william mkapa president of tanzania written by distinguished experts and scholars in the fields of international labour law and international law the book provides an insightful and in depth analysis of the role of the ilo as an international organization devoted to decent work and social justice it also sheds light on tripartism and its particular role in the work of the ilo examining the challenges that a profoundly changing working life presents in terms of labour protection and social justice and examining the transnational dimension of labour law lastly the book includes a postscript by nobel economics laureate professor joseph e stiglitz

the international labour organization ilo is broadening its agenda and carving out a role as a key player in global economic policy making and this volume provides a succinct and comprehensive guide to this important organization by charting the history and development of the ilo and examining its key functions and structure the authors offer a clear and detailed account of its work and provide an important discussion of the current criticisms and debates that surround the organization the work moves on to discuss the position that the ilo takes in our understanding of global governance and seeks to evaluate the impact of emerging issues such as the global economic crisis and critically examines the future direction of the organization this fresh and accessible account of the international labour organization provides an excellent understanding of its purpose and structure and will be of interest to all students of international politics international organizations and international political economy

exploring the contentious relationship between trade and labour this book looks at the impact of the eu's new generation free trade agreements on workers drawing

upon extensive original research including over 200 interviews with key actors across the eu and its trading partners it considers the effectiveness of the trade labour linkage in an era of global value chains the eu believes trade can work for all claiming that labour provisions in its free trade agreements ensure that economic growth and high labour standards go hand in hand yet whether these actually make a difference to workers is strongly contested this book explains why labour provisions have been profoundly limited in the eu s agreements with the cariforum group south korea and moldova it also shows how the provisions were mismatched with the most pressing workplace concerns in the key export industries of sugar automobiles and clothing and how these concerns were exacerbated by the agreements commercial provisions this pioneering approach to studying the trade labour linkage provides insights into key debates on the role of civil society in trade governance the relationship between public and private labour regulation and the progressive possibilities for trade policy in the twenty first century this book will appeal to research scholars post graduate students trade policy practitioners policy researchers allied to labour movements and informed activists

this new report provides a framework within which to assess compliance with core international labor standards and succeeds in taking an enormous step toward interpreting all relevant information into one central database at the request of the bureau of international labor affairs at the u s department of labor the national research council s committee on monitoring international labor standards was charged with identifying relevant and useful sources of country level data assessing the quality of such data identifying innovative measures to monitor compliance exploring the relationship between labor standards and human capital and making recommendations on reporting procedures to monitor compliance the result of the committee s work is in two parts□ this report and a database structure together they offer a first step toward the goal of providing an empirical foundation to

monitor compliance with core labor standards the report provides a comprehensive review of extant data sources with emphasis on their relevance to defined labor standards their utility to decision makers in charge of assessing or monitoring compliance and the cautions necessary to understand and use the quantitative information

founded in 1919 the international labour organization ilo became the first specialized agency of the united nations in 1946 i t brings together representatives of governments employers and workers to jointly shape policies and programmes s to advance opportunities for women and men to obtain decent and productive work in conditions of freedom equity security and human dignity from the scout report copyright internet scout 1994 2010 scout wisc edu

recounts through the examination of a selected number of situations the problems that the ilo faced and faces

the elgar companion to decent work and the sustainable development goals is an essential reference for understanding the role of the international labour organization ilo and its promotion of fair conditions rights at work and employment opportunities for all this title contains one or more open access chapters

this book is the first comprehensive account of the international labour organization s 100 year history at its heart is the concept of global social policy which encompasses not only social policy in its national and international dimensions but also development policy world trade international migration and human rights the book focuses on the ilo s roles as a key player in debates on poverty social justice wealth distribution and social mobility subjects and as a global forum for addressing these issues the study puts in perspective the manifold ways in which the ilo has helped structure these debates and has made through its standard setting technical cooperation and myriad other activities practical contributions to

the world of work and to global social policy

this timely book introduces a fresh perspective on youth unemployment by analysing it as a global phenomenon ross fergusson and nicola yeates argue that only by incorporating analysis of the dynamics of the global economy and global governance can we make convincing comprehensive sense of these developments the authors present substantial new evidence spanning a century pointing to the strong relationships between youth unemployment globalisation economic crises and consequent harms to young people s social and economic welfare worldwide the book notably encompasses data and analysis spanning the global south as well as the global north

this concise encyclopedia provides a comprehensive overview of the rapidly developing field of migration and asylum law it brings clarity on key terms and critical notions while challenging misconceptions in this highly politicized sphere

based on the case of the ilo both as an actor and driver of international social policy this collection explores the internationalization process of social rights in a number of national and international contexts this collection brings together a variety of new scholarship by a group of highly qualified and internationally renowned scholars

an innovative diplomatic and intellectual history of decolonization post colonial nation building and international human rights and development discourses this study of the role of the ilo during 1940 70 opens up new perspectives on the significance of international organisations as actors in the history of the 20th century
