laselva offers a compelling reconsideration of confederation and of the pivotal role of george etienne cartier one of the fathers of confederation in both the achievement of confederation and the creation of a distinctively canadian federalist theory

explore significant cases and controversies in constitutional law with this comprehensive guide this book delves into historical and contemporary challenges providing a thorough understanding of constitutional principles and their impact on legal history

nine eminent law and political science academics come together for the first in a trilogy of collections to make their predictions on how constitutionalism will change over coming decades the contributors will reconvene in 2030 and 2040 to reflect and consider how the issues have evolved and whether their predictions have been realised

over the past twenty years american indian policy has shifted from self determination to forced federalism as indigenous nations in the united states have encountered new threats from state and local tribes over such issues as taxation gaming and homeland security this book demonstrates how today s indigenous nations have taken unprecedented steps to reorient themselves politically in response to such challenges to their sovereignty

this book explores new avenues of international research in comparative federal studies it re examines the conceptual tools and methodologies for understanding federal systems and the role of comparative federalism in the dissemination and implementation of federal concepts it highlights the influence of comparative federalism on constitution making as well as constitutional reforms the volume provides innovative and pragmatic perspectives from both the global north and the global south with case studies drawn from established federations such as india canada australia and austria and emerging federal systems such as italy and south africa advocating a combined approach that integrates modern and traditional theoretical routes with practical insights and contemporary analyses it discusses the issues of multilevel elections and federal governance coalition governments and multiparty democracy in parliamentary federal systems such as india minority empowerment gender budgeting self governance multinational federalism unitary states the nation state and degenerating federalism it also breaks new ground by looking at federalism from a gender perspective and deals with tools for measuring fiscal responsibility and a social and cultural index a tribute to the intellectual legacy of ronald l watts this volume will be useful to scholars and researchers of political science federalism comparative federal studies political studies comparative politics governance public administration and law development studies south asian studies and global south and north studies as well policymakers international government bodies research institutes development experts and other organisations working in the area

in 1861 just a few years before confederation 84 per cent of canadians lived in rural areas today it s less than 20 per cent our municipal governments are asked to do more for their citizens than ever before yet they must confront myriad challenges

from the public health pandemic to the housing crisis without the tools they need they have no constitutional protection from jurisdictional overstepping by provincial governments and no assurance that they will be able to complete any effort they undertake the past present and future of canadian cities explores the historical functions of municipalities their current ability to tackle major problems and what the future holds for shifting legal and political powers this volume examines how pre confederation cities came to have their current constitutional and legislative forms how current local governments make decisions within existing legal parameters highlighting indigenous municipal relationships and emergency management and finally looks to the world to investigate future innovation in municipal governance the past present and future of canadian cities makes the case that constitutional concepts must be repurposed to support the transition from nation building to city building in a global context

the papers in this collection offer reflections on canadian federalism by leading québécois scholars
